**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I do not have access to fiber.

I was previously a Comcast customer. I switched to Sonic after Comcast not repeatedly: 1) signed me up for services I had not signed up for, 2) failed to deliver consistent internet access, 3) changed my address without any input from me (and once cut my service because they thought I was at a different address), and 4) raised prices beyond their already terrible rates.

Sonic has great service but relies on AT&T's wires.

Please prevent further consolidation and price hikes.

Kenneth Black
